Creation – Impact of the Fall of lucifer

Here is where the topic of Creation gets interesting. This is where the world covers things up, does not want us to understand and because of that enslaves us into the matrix of Lucifer or the world as today society labels it. The information we discuss here begins the shift in paradigm of thought.

We will not cover all the effects of the impact on Creation from Lucifer's rebellion in this document because we want to do so later in other documents on posts as they apply to that point of the overall Creation of God. Therefore, our focus on information in this document is the impact at this particular point in time within God's total Creation process.

So, to understand this point in time let us do a quick review.

1. God's first Creation was of thought. God thought existence into existence and conceived everything that would be needed for His Kingdom Creation. In doing so, He had to know the end game and then create from the beginning. THINK ABOUT THIS!!!! Not only did God create all humanity in His mind at this time but He knew the end game. Get it? He knew about Lucifer. He knew that humanity would fail His Covenant and sin. Job 28:24 "For he looketh to the **ends of the earth**, and seeth **under the whole heaven**." Jeremiah 1:5 "Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations." This is preached on in the pulpit of many churches but not in the context to our lives but in hastening the understanding the worlds view of the Gospel of Christ, not the impact that sin had on the Creation itself.
2. God's second Creation was the manifestation of His thoughts into the physical Universe. In addition to the physical Universe, God created His Angelic support beings. These angels were there not only to praise God but to become His Apostolic Government and

do His bidding. The highest of all Angels was Lucifer. He was the only anointed Cherub in all of the angels. Lucifer was placed as the protector of all angels and his wing span if extended could cover the entire earth. He was placed on the holy mountain of God and was the minstrel choir leader of all angels singing praises to God.

Now let us pick history up from here.

God knew that the potential of a rebellion was emanate. However, we are told God does change His mind as the events unfold in His Creation. In Exodus 32:14 "So the Lord changed His mind about the harm which He said He would do to His people." Amos 7:3 "The Lord changed His mind about this. "It shall not be," said the Lord." Amos 7:6 "The Lord changed His mind about this. "This too shall not be," said the Lord God." Jonah 3:9 "Who knows, God may turn and relent and withdraw His burning anger so that we will not perish."

In God's Creation of the angels, He withheld some of the end game knowledge about the earth from His angels. He also did not provide all the sequencing of events to them as well. One of the things God did not expose to His angels was the transgressions of sin and the process of redemption through Christ's resurrection. Had He told them these things and they did not happen God would not be God. God knew in His thoughts of this but needed the events to play out to prove His thoughts and, in doing so, just like playing chess, He already had the moves ready to proceed further into Creation providing Himself as the redemption Son.

So, Lucifer rebels. Let us look at just what that event had on Creation at this point.

1. God had to enact His judgement. The first trial. The first conviction. The first execution of sentencing.
2. The Law of Duality was created. The Law of Duality definition is that in everything there is an opposite - good vs. evil, love vs. hate, light vs. darkness, healthy vs. unhealthy, prosperity vs. poor, abundant vs. lack, etc. etc. When Adam and Eve ate the fruit from

the Tree of Knowledge and opened their minds to this knowledge of good and evil, they immediately understood that they now live in a world of duality. We have within us both the good and evil. Good is the soul of God given to us in this physical body and evil being the EGO created by our mind. Through our free will of choice, we can either live a life of EGO or a life in-Spirit. It is only when we are in-Spirit are we able to use the attributes of our Source to co-create our Life experiences.

3. God expelled Lucifer from Heaven. This meant that the continual space of Heaven and Earth had to be closed. This separated Earth from Heaven into parts and not a whole. In doing so, the Earth, as intended, lost its earthly status in Heaven, and became the world with its ruler Lucifer - the fallen one of Heaven.
4. When this happened, the light being radiated upon the Earth from the light of Heaven was no longer there and darkness came over the Earth. It is here that the deception starts. Lucifer matrix wants us to believe that the world and earth are the same when in fact they are different. The Earth God Created and was part of the Heaven. The Rebellion removed this connectivity and therefore the Earth (part of God's Kingdom) became the world underneath the rulership of Lucifer. Isaiah 45:12 "I made the earth and created man on it; it was my hands that stretched out the heavens, and I commanded all their host." If you review scripture about the earth, you will find it is referenced only to God. 1 John 2:15-16 "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world." Romans 12:2 "And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God." So, when scripture talks about the world it is always referenced back to Lucifer. So, the gates to Heaven were closed, the earth became a world ruled by Lucifer and the matrix began. The first delusion is that the earth and the world are the same. This is a lie. They are complete opposites.

We do not know the timing of this rebellion currently. So, we do not know if it was billions of years before the third creation or two days. All we can derive from scripture and ancient texts is that lucifer did rebel, God cast him out of Heaven, God closed the continual space between Earth and Heaven (God's Kingdom), the earth became the world matrix ruled by lucifer and the earth lost all its light.

One may assume that this expulsion and the removal of light was the catastrophic event that causes the flash freezing of all living things on earth. It could be. When all the light (heat) was removed, and darkness fell the earth became a world of darkness and cold. When you add this concept to scripture with Christ telling us the He saw Lucifer cast out of Heaven as lightening this equates to a major sudden change that could have caused this event. If that is the case, then we can use science to give us some clues about the timing of this event in our history. Luke 10:18 Christ said "And he said unto them, I beheld Satan as lightning fall from heaven."

So here are some thoughts for you. Did you know that our current state of world events all started from the rebellion of Lucifer? Can you now understand that the shift of the world into a matrix began not with the sin of Adam and Eve but at the time Lucifer rebelled? How does this knowledge now change your beliefs in what your corporate church is teaching you?

Just wait for the upcoming subject specific documents. This maybe a revelation to us, but the other documents will be mind-blowing.
